INTRODUCTION

The State of Mississippi has developed and will follow a detailed **Citizen Participation Plan** in accordance with the requirements found in Section 104 (a)(2) and (a)(3) of Title I of the Housing and Community Development Act of 1974, as amended, 24 CFR Part 570.486 of the State CDBG Regulations, and the State Consolidated Plan Regulations at 24 CFR Part 91.115, which provides for, and encourages, Citizen Participation and which emphasizes participation by persons of low and moderate income, particularly residents of predominantly low and moderate income neighborhoods, slum or blighted areas, and areas in which the State of Mississippi proposes to use Federal funds.

In order to provide economic opportunities for low and moderate income persons, the State of Mississippi actively seeks to build partnerships in which those citizens most affected and participate in the development and implementation of the Federal programs administered by the State. This Citizen Participation Plan is intended to establish the policy and procedures for Citizen Participation in compliance with 24 CFR 91.115 and will:

- provide citizens with reasonable and timely access to local meetings, information, and records related to the Mississippi Development Authority's proposed and actual use of funds;
- provide for public hearings to obtain citizens' views and to respond to proposals and questions at all stages of the HUD Federally-funded programs, including at least the development of needs, review of proposed activities, and review of program performance;
- provide for timely written responses to written comments, complaints, and grievances;
- identify how the needs of non-English speaking residents will be met in the case of public hearings where a significant number of non-English speaking residents can be reasonably expected to participate.

DEVELOPMENT OF THE CONSOLIDATED PLAN AND ONE-YEAR ACTION PLAN

Before the State of Mississippi adopts the Consolidated Plan and One-Year Action Plan, citizens, local units of government, public agencies (businesses, developers, community-based organizations, faith-based organizations), and other interested parties are given an opportunity to provide input on housing and community development needs and priorities as part of the preparation of the Consolidated Plan and One-Year Action Plan. Citizens will also have an opportunity to participate in the development of the Consolidated Plan and One-Year Action Plan, during the Public Hearings and through written comments.

At the Public Hearings, citizens receive information about the programs involved in the Plan, including the amount of assistance the State of Mississippi expects to receive and the range of activities that may be undertaken, including the estimated amount that will benefit persons of low and moderate income and the plans to minimize displacement of persons and to assist any persons displaced, along with a proposed timeline.

The State of Mississippi will publish notices regarding the schedule of Public Hearings for the Consolidated Plan and Action Plan through statewide and regional newspapers of general circulation and other publications directed to, or reaching minorities, along with Community Services Division Instructions. MDA will publish a notice of the Public Hearing(s) not less than fourteen (14) days and no more than twenty (20) days prior to the date of the Public Hearing(s) in the legal or non-legal section of a newspaper of general circulation. Public Hearing announcements will also be published on the Mississippi Development Authority's (MDA) website, www.mississippi.org/csd.

All Public Hearings will be held at times and locations accessible and convenient to potential and actual beneficiaries. The Mississippi Development Authority will make a translator available at all Public Hearings based upon individual(s) request or where a significant number of non-English speaking persons or interest groups notify MDA's Community Services Division Compliance Bureau at least three (3) business days prior to the Public Hearing and request appropriate translation service. MDA will make special arrangements for the attendance of persons with disabilities who notify MDA at least three (3) business days prior to the Public Hearings and identify and request the special accommodations needed. However, all Public Hearings will be held at accessible locations.

To afford the public and/or citizens the opportunity to examine and comment regarding the Draft Consolidated Plan/One Year Action Plan, the State of Mississippi will publish a notice in statewide and regional newspapers of general circulation and other publications directed to, or reaching minorities, and will utilize various social media outlets, along with Community Services Division Instructions. The State of Mississippi will establish a 30-day public review and comment period. The notice will encourage all interested parties to participate and provide their comments and input on the Draft Consolidated Plan/One Year Action Plan. All public comments must be submitted in writing to MDA. The Draft Consolidated Plan/One Year Action Plan will also be published on the Mississippi Development Authority's website, www.mississippi.org/csd.

Upon request, the Mississippi Development Authority will make available free copies of the Draft Consolidated Plan/One Year Action Plan. The comment section of the Plan(s) shall include said commentary and provide information regarding how the comment(s) was addressed or incorporated into the Plan(s). Following the 30-day comment period, the Mississippi Development Authority will consider any comments or views of citizens received in writing while preparing the final Consolidated Plan. A summary of these comments or views will be attached to the Consolidated Plan.
